

BOYS U17S REPRESENTATIVE NETBALL INFORMATION SHEET

Each year, every Netball Association in NSW forms a team to compete at the Hart Junior State Titles Competition in July. This is the pinnacle tournament for Junior Netball in NSW, where associations compete for the title of “State Champions”.

What is the Commitment?

- The team will compete on Monday, June 9, 2025 – all day
- Trials will be in Term 1 if needed based on nomination numbers.
- The team will not participate in regular training, as we recognise that the boys will likely be playing other winter sports, but we will try to get together a few times before the tournament, to work on skills & some practice games.
- We have secured a sponsor to fully fund a 4-5 week, gym-based, strength and conditioning program for all boys selected into the team.

Program

- Our U17s Boys coach for 2025, is yet to be announced.
- Boys born 2008-2010 are invited to nominate
- Nominations and trials will be in Term 1, 2025 – if needed
- Strength & conditioning program will be the first 4-5 weeks of term 2, if the boys are keen.

State Titles Competition

This event is HUGE with teams from every association in the state competing. In 2025, the Seniors competition will be hosted by Camden Netball Association.

Ku-ring-gai Facebook Page

If you aren't friends with KNA on Facebook, we encourage you to follow our page to receive future information about boys' netball in 2025.

Next Steps:

- Nominate today at via the link below (or on the previous web page) or by scanning the QR Code below: <https://forms.office.com/r/hhsdqPzyZ6>
- You will be contacted by our Boys' Coordinator
- Keep an eye on the KNA web site and Facebook Page for news of trials.
