COMPETITION FORUM – Tuesday 16th July 2024

AGENDA:

1. Apologies

Lee Field (Administration and Life Member), Ian Eldershaw (Executive Member), Mick Flarey (Executive Member), Kelly Winblin (West Pymble Delegate), Louise Woods (SRSC), Caroline Macdonald (North Turramurra Delegate), Tanya Baker (KNA Coach Convenor), Kissane Gray (KNA Grading Convenor).

2. Barker Indoor, Metro Day, 17's Day, 9's and 10's Days

All worked well, especially the 9's 10's Day. Skills gap was huge, and these sessions were fantastic being so early in the season. 15's Rep stations were fabulous. Feedback was great – with it being well run and not the usual people doing all the work – fresh faces, which is just fabulous. Mixed competition at Barker starts next week.

3. Canoon Road Plan of Management

RJ informed the meeting that now that the PoM has been changed and we have been given more flexibility, what we do with the site on Thursday nights is up to us, within reason. So, we could change 9's and bring NSG to Canoon on Thursday nights, as Lofberg has utilization and resourcing issues, with the satellite site not working well and not giving a great start to KNA netball. We could also move lower grades of Seniors, Inters, or even some cadet's grades – though these would have issues with getting umpires. We could even do a new mixed comp on Thursday nights instead. Lots of options. Survey member for what is wanted.

4. Boys

Mixed teams – boys playing as well. Kelly Norris has been super successful in getting this team up and running. When boys play girls – there will be no points awarded – like Rep invitation teams. Delegates are worried about the roughness and attitude, but we note the boys team is super keen to play with a Court 1 appearance coming soon.

5. Building Fund

The Building Fund Committee has been set up and is working towards a new building. Everything is changing and moving forward. KMC and NNSW are working together to design a new complex – no indoor court (size too small, bushfire zone), but will have changing facilities, new canteen, meeting/community space upstairs.

6. Grounds

Chris Shi, our facilities manager, is working well. Club love the online grounds rosters. KNA executive thank Clubs for their help with the complex Registrar and Grounds Windows.

7. Volunteer Appreciation Day

STI asked that going forward, that the Volunteer appreciation day not be on a Rep Carnival Day. It is noted however, that there are not very many options for holding this day.

8. NSG recruitment

Feedback sought. Do you want game time instead of training sessions. Pre session for parents and girls – 5/6/7's training, 7/8's games? Coaches and Umpires at orientation day. Michelle is doing a great job.

9. NSU

Matt George is reviewing finances etc.

10. Spring Competition

Robyn Rowland doing the Spring Convenor Role again this year. Robyn will be holding a Spring Comp Committee meeting shortly at Katie's house. Boys' competition will be held Tuesday nights.

There being no more business, the meeting closed at 9:15 pm.
